

**Do you feel like learning a new language is boring?**

**...or you have difficulty to get started?**

**...or lack of assistance?**

**Introducing...**

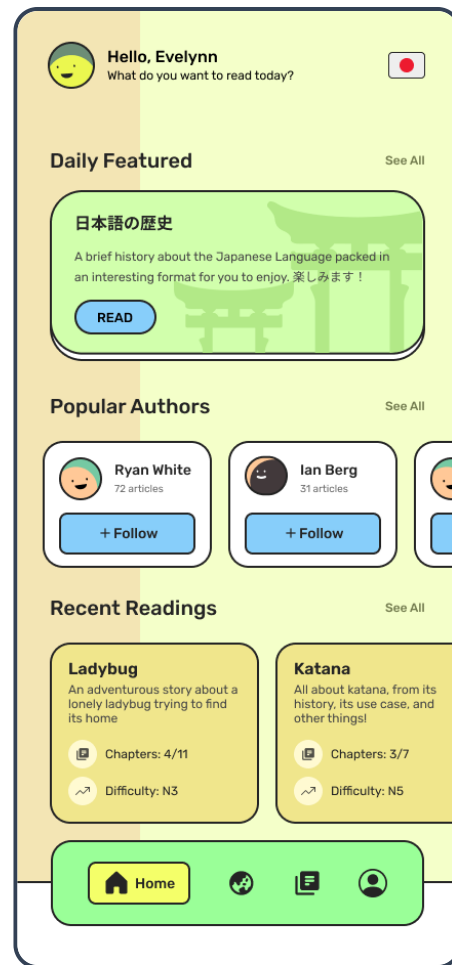

# Langscape

A fresh language learning app that is actually enjoyable

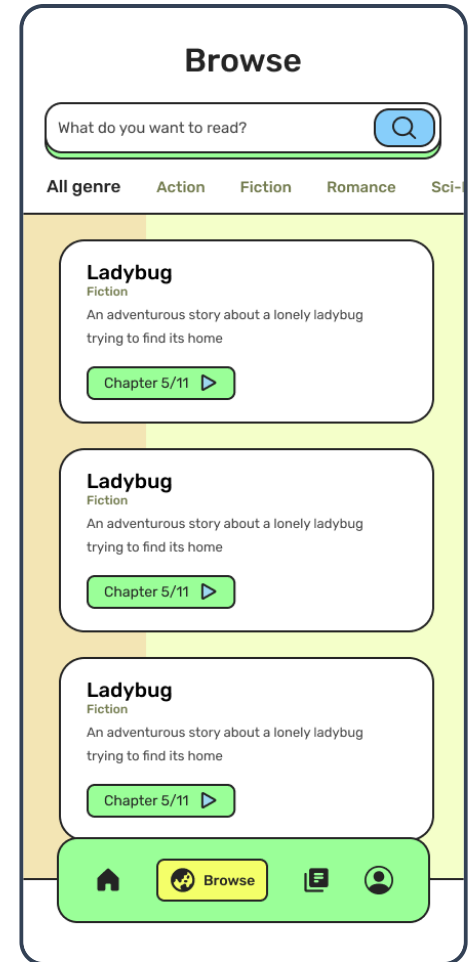

# Home

- Read interesting stories made by other users while also learning a new language
- Several languages to choose from
- Daily Featured reading materials so you won't get bored
- Follow popular authors you like
- Keep track of your recent readings so you don't get lost

# Browse

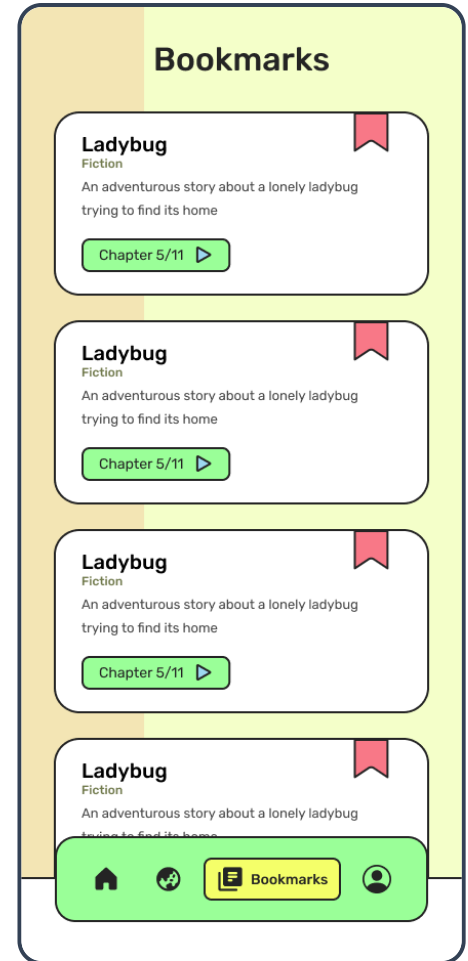

- Browse many stories from other users
- Many categories to choose from to fit your needs

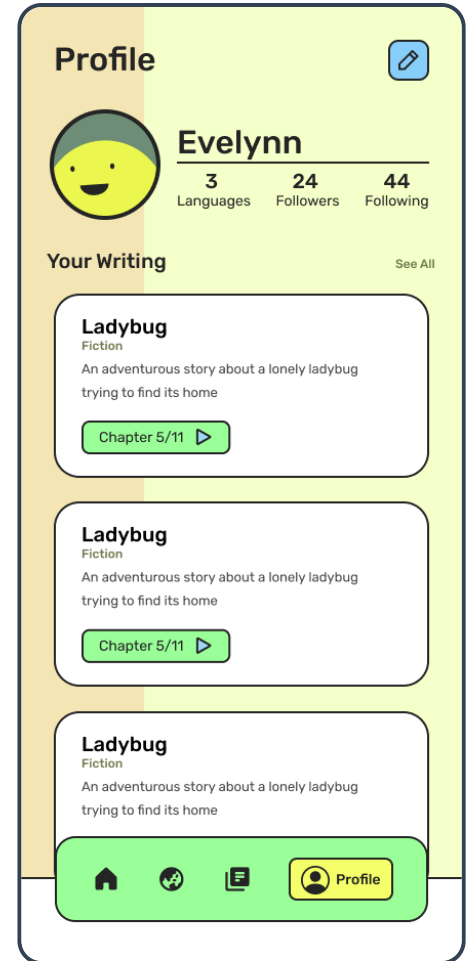

# Bookmarks

Create your own bookmarks collection of stories you like so you can read it later on

# Profile

Build your own profile by following and creating stories

**Demo**
