

HACK
TOBER
FEST

The background features a pixelated pattern of yellow, brown, and black squares. In the center, there is a digital-style clock with a dashed circular border. The clock face has a grid of small dots and displays the time as 10:10. The word "HACK" is stacked above "TOBER", and "FEST" is stacked below "TOBER". The letters are bold and black, with some letters having a semi-transparent gray outline.

OPEN SOURCE

WHAT IS OPEN SOURCE AND WHY?

- Freely available, open to public
- Open Source Software != Free Software
- Collaborate with other talented people
- Encourages YOU to be part of it
- It's fun!

WHAT IS A HACKTOBERFEST EVENT?

WHAT IS A HACKTOBERFEST EVENT?

A place for people to learn, connect and contribute to open source by participating in DigitalOcean's annual open source event, Hacktoberfest.

**WHO IS A
HACKTOBERFEST
EVENT FOR?**

WHO IS HACKTOBERFEST EVENT FOR?

Everyone, basically

Maintainer

Maintains an open source project, typically a veteran developer, could give a presentation on how to submit pull/merge requests.

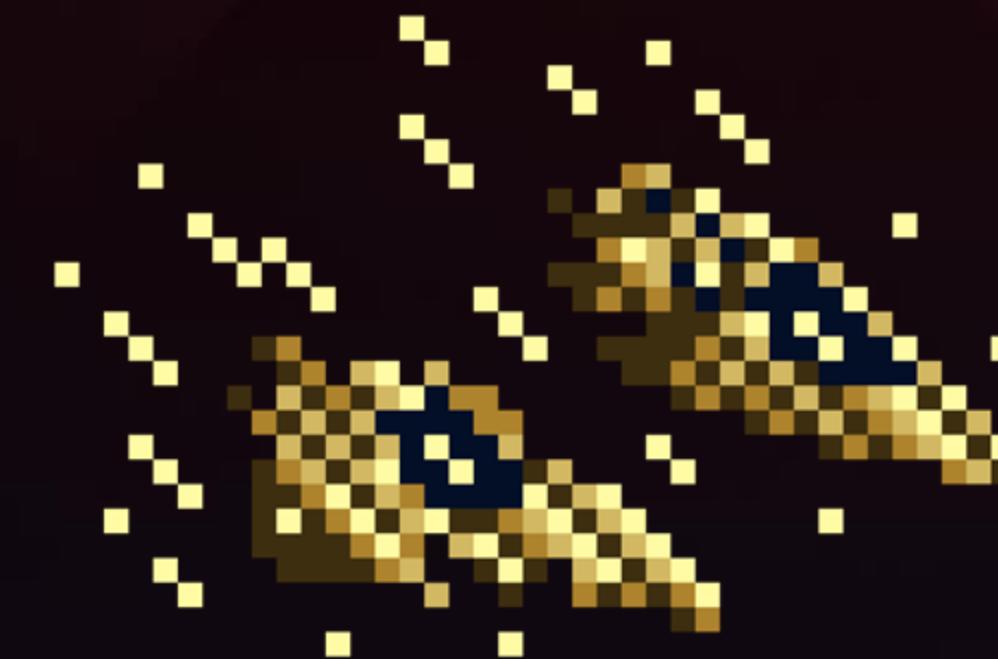

Contributor

Already contributes to open source, generally works in a tech role, familiar with Git.

Beginner

Never made a pull request before, or new to tech in general.

Hackathon!

HACKATHON!

- Team up with 3-4 people
- Create a repository on Github
- The theme is "code for Polinema"
- Make it look like a proper open source project

Ask me anything!
